SUBJECT: Coordination on Rwanda

Secretary Christopher has asked me to represent the Department on the interagency group that National security Advisor Lake will chair to coordinate the Administration's response to the humanitarian disaster in Rwanda. To prepare for the NSC meetings, which I anticipate will take place two or three times a week, I would like to convene a small group of directly concerned Department/AID participants each day for about 20 minutes. I suggest we meet at 11:15 a.m. in my office (Room 7250). I plan to hold the first such meeting on Thursday, July 28. I hope you or a senior substitute will attend every day. Anne Joyce on my staff (X78745) will provide staff support for these meetings.
